CONTINUING GUARANTY

Date: _____

For a valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and to induce you to honor from time to time at your sole option the purchase orders of _____ (Herein called "Purchaser") without requiring payment upon delivery, each of the undersigned Guarantors as a primary obligor, jointly and severally, unconditionally guarantees to you, your successors and assigns, that Purchaser fully, promptly and faithfully will perform, pay and discharge all of the Purchaser's obligations, and agrees without your first having to proceed against Purchaser or any other person, firm or corporation, to pay on demand all sums due or become due to you from Purchaser under any agreement between Purchaser and yourself, and all losses, costs, attorney's fees or expenses which you may suffer by reason of Purchaser's default.

This Continuing Guaranty may be terminated only by notice sent to you by certified mail, stating an effective date after the receipts of such notice by you, but shall continue thereafter as to each of us who has not given such notice, and shall continue as to each of us giving such notice with respect to any obligation of Purchaser to you as of the date such notice is received by you. No termination hereof shall be effected by the death of any or all of us. Each of us waives notice of acceptance thereof and of presentment, demand, protest, and notice of non-payable or endorsed or assigned to you by said Purchaser, and we waive all setoffs and counterclaims whatsoever.

You may without notice to us, review, extend, or transfer such obligation of Purchaser; accept partial payments thereon; or settle, release on terms satisfactory to you or by operation of law such obligation or security therefore in any manner; or consent to the transfer of such security therefore in any manner; or consent to the transfer of such security without affecting or impairing such obligation of any of us hereunder.

No payment by Guarantor hereunder shall entitle that Guarantor, by subrogation or otherwise, to any payment by Purchaser under or out of the property of Purchaser, except after payment in full to you of such obligation contingently, absolutely, or otherwise payable by Purchaser to you.

This Instrument shall bind our respective heirs, administrators, personal representatives, successors and assigns, and shall inure your successors and assigns. All of the rights are cumulative and not alternative. Witness our hand(s) and seal(s) the day and year first above written.
